

MALTA RESOURCES AUTHORITY

MRA/111/2012

20th July 2011

TENDER FOR THE ANALYSIS FOR THE PRESENCE OF ORGANIC POLLUTANTS IN GROUNDWATER SAMPLES FOR THE MORISO PROJECT

Question 1: Apart from ensuring that access to the sampling sites is provided by the site owner / manager, will the Authority also ensure that an electric pump or other facilities are available to draw up the groundwater?

Yes, such facilities will be made available.
