## **Call for Quotations: Telephone Survey**

The Malta Resources Authority (MRA) invites interested companies to submit a quotation for the carrying out of a survey prior to the launch of an educational campaign on energy efficiency.

The survey will assess the following factors:

- excessive energy consumption
- energy saving methods
- energy saving features when purchasing domestic appliances
- renewable energy sources and methods to harness it.

The sample will comprise 300 answered interviews. Each questionnaire will comprise a maximum of 30 open or close-ended questions. The questionnaire will be designed by the selected company according to the Authority's specifications. The questionnaire will be carried out in either English or Maltese, depending on the preferred language of the respondent.

The target group will consist of respondents aged 16 years and over. The sample will be stratified according to gender, age and geographical location. A quota sampling technique will be used to make sure that the above-mentioned segments of the population are represented. The proposal shall ensure that the sample represents clients of all local telephone service providers.

The results are to be presented in numerical and graphical form accompanied by a report which will include the interpretation of the results.

Further information can be obtained by sending an e-mail to [enquiry@mra.org.mt](mailto:enquiry@mra.org.mt)

Sealed quotations, with the Advert Number (MRA/ENE/136/10) clearly marked, must be deposited at the Malta Resources Authority tender box at Millennia, 2nd Floor, Triq Aldo Moro, Marsa MRS 9065 **by not later than 10 a.m. of Friday 26th of November 2010.**
