TENDER FOR THE DEVELOPMENT OF A NEW MRA WEBSITE

To whom it may concern:

Question 1: Would it be possible to send us a word document of the pdf file? As it is we would need to retype the document in order to be able to put in our answers. Having a word document would save us a significant amount of time which could be utilised on the response preparation.

Answer 1: The Authority cannot provide a Word version of the tender dossier. A pdf (uneditable version) is purposely provided for security reasons. Tenderers are kindly requested to use the pdf version which may be downloaded from the website to submit their tender offer and include any additional attachments as necessary.
