

MALTA RESOURCES AUTHORITY

Issue of licences to Easygas Malta Ltd

The Malta Resources Authority has issued three licences to Easygas Malta Ltd for the importation and wholesale of LPG, for the retail of portable cylinders filled with LPG from a fixed point of sale and authorisation to operate a primary storage facility at the site in Triq Valletta Luqa.

The authorisation to import and wholesale LPG is valid for six years and allows the provider to load bulk LPG to road tankers, for final distribution to clients in the Maltese Islands.

The authorisation for the operation of a primary storage facility is valid until the 17th of August 2039.

Easygas Malta Ltd is also authorised to carry out the retail activity of portable cylinders filled with LPG from a fixed point of sale, that is the site at Triq Valletta, Luqa. The licence is valid until 17th September 2015.
