

MALTA RESOURCES AUTHORITY

PRESS RELEASE ISSUED BY  
THE MALTA RESOURCES AUTHORITY

Reference is made to recent reports published in the media:

The Malta Resources Authority would like to clarify that it was not present for the meetings held late last year between Enemalta and GRTU to discuss claims made on behalf of petrol station owners. Thus it is not in possession of the agreement reached or in the position to publish such an agreement as claimed by the Consumers' Association of Malta.
