**Tender for Consultancy Services for Financial and Engineering Assessments of  
Water Services Corporation**

**We would like to request a clarification regarding the possibility of issuing interim periodic bills over the course of the project.**

In addition to Part 1 - "Section 2.9: Currencies of Tender and Payments" and Article 26 of the General Conditions for Service Contract of the tender document, the Authority clarifies that it may effect four-monthly interim payments, within 60 days of the approval by the Authority of the interim progress reports referred to in Articles 24 and 25 of the General Conditions for Service Contracts and which progress report shall be accompanied by a corresponding invoice for the services actually performed.

The maximum sum of any interim payments shall not exceed 90% of the contract value.
