Clarification No 3

TENDER FOR ICT SECURITY RISK ASSESSMENT

Question 1: We need further clarification in page no. 19 Clause No. 5.5.8 which says we need to submit Tender guarantees (bid bonds) along with our response. Kindly let us know the amount for bid bond and the format for submitting the same.

The front page clearly specifies that the tender does not require the submission of a bid bond.

Question 2: Also we would like to know the rate of VAT and any other taxes applicable at your end.

The bidder is advised to refer to the fiscal legislative framework in Malta and to seek professional guidance as necessary.

Bidders are further informed that the Malta Resources Authority is a non-taxable legal person in accordance with the provisions of the Value Added Tax Act, 1998. In as much, MRA is not registered for VAT purposes (i.e. it does not have a VAT number) as it does not carry out an economic activity.
