TENDER FOR THE PROVISION OF VERIFICATION SERVICES OF OIL STOCKS HELD IN THE MALTESE TERRITORY

PART 1:

1.0 SCOPE OF TENDER

1.1 Introduction

- 1.1.1 The Malta Resources Authority, hereinafter referred to as “the Contracting Authority”, is hereby issuing a tender for the provision by suitable qualified professionals, of verification services, of oil stocks held in the Maltese Territory.

The successful tender will be expected to provide for a period of one year (from September 2015 to August 2016) verification services of stocks of crude oil and/or petroleum products held by licensed importers, primary storage operators and bunker operators (hereinafter referred to Economic Operators) in the Maltese Territory .

1.1.2 DELETED

- 1.1.3 Prospective bidders are to ensure that their Tender Document shall contain no changes or alterations, other than those made in accordance with the instructions issued by the Contracting Authority (which are issued as clarification notes or addenda) or those necessitated by errors on the part of the tenderer. In this case, bidders shall ensure that any corrections are properly and duly crossed, dated and initialled in ink by the person signing the tender.

1.2 Tender Documentation

- 1.2.1 Each submission for Tender shall clearly indicate the details of the tenderer responsible for such activity and the rates/prices, inclusive of VAT and all other charges as may be applicable. The start date, as indicated, shall be upon the issuance of the ‘**Order to Start Works**’ issued by the Officer in Charge, following signing of the contract agreement.
- 1.2.2 A form entitled “**Schedule of Rates/Prices**” is also attached with the Tender Document. Prospective bidders are requested to complete the form, giving the rates/prices in EURO for each item as indicated, inclusive of VAT and all taxes and any other charges as applicable. This form must be filled in and submitted with the tender document. Prospective bidders shall not at any time of the contract period request a revision of the rates/prices. **Failure to fill in the form, or a form with incomplete information, or a form containing ambiguous financial information (e.g. prices, totals etc.) shall disqualify the tender submission.**
- 1.2.3 Tenderers may supplement the “**Schedule of Rates/Prices**” with additional pricing information if they deem this necessary.

- 1.2.4 A form entitled “**Tenderer’s Details Form**” is attached with the Tender Document. Prospective bidders are requested to fully complete the form (including the Tenderer’s Declaration form), and submit it with the Tender Document. **Failure to submit this form completed in all respects, shall disqualify the bid.**
- 1.2.5 Tenderers shall complete the attached “**Form of Tender**” as required, also confirming the tenderer’s undertaking that the offer shall not be retracted or withdrawn for a period of three (3) months from the closing date of the offer. **Failure to submit this form completed in all respects, shall disqualify the bid.**
- 1.2.6 DELETED
- 1.2.7 A form entitled “**Data on Joint Venture/Consortium**” is attached with the Tender Document. Prospective bidders are requested to complete the form, and submit it with the Tender Document if they are planning to bid as a Joint Venture / Consortium. In the event that a prospective tenderer does not intend to bid as a Joint Venture / Consortium, this form need not be completed.
- 1.2.8 A form entitled “**Sub-Contracting**” is also attached with the Tender Document. Prospective bidders are requested to complete the form, and submit it with the Tender Document if they are planning to Sub-Contract the works or any part of the works listed in the Tender Document. In the event that a prospective tenderer does not intend to sub-contract the works or any part thereof, this form need not be completed.
- 1.2.9 A form entitled “**Statement on Conditions of Employment**” is attached with the Tender Document. Prospective bidders are requested to complete the form, and submit it with the Tender Document. In addition, bidders are required to submit and complete the form entitled “**Breakdown of Tenderer’s Employee Costs**” clearly indicating the minimum hourly workers' costs for this contract and a breakdown of the employees' costs in global sum contracts.
- 1.2.10 A form entitled: “**Specifications Form**” is attached with the Tender Document. Prospective bidders are requested to complete the form by filling in the requested data and submit it with their Tender offer.
- 1.2.11 Tenderers are also requested to submit with their Tender offer any relevant **Technical Literature, Catalogues and/or Illustration** related to the items being offered, which shall corroborates the details filled in the Specification Form. All Documents provided shall be written in English Language. **Failure to comply with this clause shall render the Tender offer null.**
- 1.2.12 Tenderers shall submit with their offer **CERTIFICATES/LOGBOOKS/INSURANCES/PERMITS ETC.** **Failure to comply with this clause shall render the Tender offer null.**
- 1.2.13 **Tenderers must indicate where the above documentation is to be found in their offer by using an index. All documentation is to be securely bound/filed. The Contracting Authority shall bear no responsibility for the loss of any documents which are not bound with the tender offer.**

Should the last day of the period fall upon a non-working day, the period shall expire at the end of the first working day following the last day of the period.

Written communications: Certificates, notices, orders and instructions issued in writing under the contract.

2.0 TENDER PROCESS

2.1 General Instructions (Pre Submission of Tenders)

- 2.1.1 In submitting a Tender, the tenderer accepts in full and its entirety, the content of this Tender Document, including subsequent Clarifications issued by the Contracting Authority, whatever its own corresponding conditions may be, which it hereby waives. Tenderers are expected to examine carefully and comply with all instructions, forms, contract provisions and specifications contained in this Tender Document.
- 2.1.2 No account shall be taken of any reservation in the Tender as regards the Tender Document; any disagreement, contradiction, alteration or deviation shall lead to the Tender offer not being considered further.
- 2.1.3 The Tender Evaluation Committee shall, after having obtained approval by the Contracting Authority, request rectifications in respect of incomplete/non-submitted information pertinent to the documentation as outlined in sub-clauses 1.2.4, 1.2.6, 1.2.7, 1.2.8, 1.2.9 and 1.2.10 **only**. Such rectification/s shall be submitted within two (2) working days from notification, and shall be subject to a non-refundable administrative penalty of €50. **Failure to comply shall result in the Tender offer not being considered further.**
- 2.1.4 Tenderers bear the sole liability of examining with appropriate care the Tender documents, including those design documents available for inspection, and any clarification notes to the Tender documents issued during the Tendering period, and for obtaining reliable information with respect to conditions and obligations that may in any way affect the amount or nature of the Tender or the execution of the works. In the event that the tenderer is successful, no claim for alteration of the Tender amount shall be entertained on the grounds of errors or omissions in the obligations of the tenderer described above.
- 2.1.5 Tenderers shall promptly notify the Finance and Administration Section, within the Malta Resources Authority, of any ambiguity or discrepancy that they may discover upon examination of the Tender Document.

- 2.1.6 Tenderers requiring clarification or interpretations of the Tender Document shall make a written or faxed request (fax number 22955200) or via e-mail (email address: enquiry@mra.org.mt) at least **six (6) working days prior** to the closing date for receipt of Tenders. **Any request after this date shall not be accepted.**
- 2.1.7 Any interpretations, corrections or changes to the Tender Document by the Contracting Authority shall be made by an official addendum. Interpretations, corrections or changes made in any other manner shall not be valid, and Tenderers shall not rely upon such interpretations, corrections and changes.
- 2.1.8 Addenda shall be faxed or emailed to all those who are known by the Contracting Authority to have procured a complete Tender Document.
- 2.1.9 No addenda shall be issued later than four (4) working days prior to the date of receipt of Tenders except an addendum postponing the date for receipt of Tenders or withdrawing the request for tenders.
- 2.1.10 The Contracting Authority may, at its own discretion, extend the deadline for submission of Tenders to give tenderers sufficient time to take clarification notes into account when preparing their Tenders.
- 2.1.11 The tenderer shall provide all documents required by the provisions of the Tender document. All such documents, without exception, shall comply strictly with these conditions and provisions, and contain no alterations made by the tenderer.
- 2.1.12 This tender is not divided into lots, and tenders must be for the whole of quantities indicated. Tenders will not be accepted for incomplete quantities.
- 2.1.13 DELETED

2.2 Eligibility

- 2.2.1 Participation in tendering is open on equal terms, to all natural and legal persons of the member States of the European Union, the beneficiary country, and any other country in accordance with Regulation 76 of the Public Procurement Regulations.
- 2.2.2 Natural persons, companies or undertakings who fall under any of the conditions set out in Regulation 50 of the Public Contracts Regulations, 2010 (Legal Notice 296 of 2010) shall be excluded from participation in the award of the Contracts. Tenderers or candidates who have been guilty of making false declarations shall also incur financial penalties representing 10% of the total value of the contract being awarded.
- 2.2.3 Tenders submitted by companies forming a joint venture/consortium must also fulfil the following requirements:
- One partner must be appointed lead partner and that appointment confirmed by submission of powers of attorney signed by legally empowered signatories representing all the individual partners. The tender must include a preliminary agreement or letter of intent stating that all partners assume joint and several liability for the execution of the contract, that the lead partner is authorised to bind, and receive instructions for and on behalf of, all partners, individually and

collectively.

- All partners in the joint venture/consortium are bound to remain in the joint venture/consortium until the conclusion of the contracting procedure. The consortium/joint venture winning this contract must include the same partners for the whole performance period of the contract other than as may be permitted or required by law.

2.2.4 All materials, equipment and services to be supplied under the Contract must originate in an eligible country. For these purposes, “origin” means the place where the materials and/or equipment are mined, grown, produced or manufactured and/or from which services are provided.

2.3 Multiple Tenders

2.3.1 A tenderer may submit multiple tender offers.

2.3.2 A Company shall not tender for a given contract both individually and as a partner in a joint venture/consortium.

2.3.3 A Company shall not tender for a given contract both individually/partner in a joint venture/consortium, and at the same time be nominated as a sub-contractor by any other tenderer, or joint venture/consortium.

2.3.4 A Company may act as a sub-contractor for any number of tenderers, and joint venture/consortia, provided that it does not participate individually or as part of a joint venture/consortium, and that the nominations do not lead to a conflict of interest, collusion, or improper practice.

2.4 Tender expenses

2.4.1 The Tenderer shall bear all costs associated with the preparation and submission of the Tender.

2.4.2 The Contracting Authority shall neither be responsible for, nor cover, any expenses or losses incurred by the Tenderer through site visits and inspections or any other aspect of his/her Tender.

2.5 Labour Law

2.5.1 Particular attention is drawn to the conditions concerning the employment of labour in Malta and the obligation to comply with all regulations, rules or instructions concerning the conditions of employment of any class of employee.

2.6 Law

2.6.1 By submitting their Tenders, tenderers are accepting that this procedure is regulated by Maltese Law, and are deemed to know all relevant laws, acts and regulations of Malta that may in any way affect or govern the operations and activities covered by the Tender and

the resulting contract.

2.7 Language of Tenders / Preparation of Tenders

- 2.7.1 The Tender and all correspondence and documents related to the Tender exchanged by the tenderer and the Contracting Authority shall be written in English.
- 2.7.2 Supporting documents and printed literature furnished by the tenderer may be in another language, provided they are accompanied by an accurate translation into English. For the purposes of interpretation of the Tender, the English language shall prevail.
- 2.7.3 The Tenderer's submission shall be typed in, or handwritten in indelible ink and signed by the person listed in the Tenderers Details Form enclosed with the Tender Document. Any pages on which entries or correction to his/her submission have been made shall be initialled by the person listed in the Tenderers Details Form. All pages shall be numbered consecutively by hand, machine or in any other way acceptable by the Contracting Authority.
- 2.7.4 The Tender shall contain no changes or alterations, other than those made in accordance with instruction issued by the Contracting Authority (issue as clarification notes) or necessitated by errors on the part of the tenderer. In the latter case, corrections shall be initialled by the person signing the tender.
- 2.7.5 The Tender shall be rejected if it contains any alteration, tampering, addition or deletion to the Tender documents not specified in a clarification note issued by the Contracting Authority.

2.8 Tender Rates/Prices

- 2.8.1 The Tender rates/prices shall cover the whole of the works/supplies/services as described in the Tender Document.
- 2.8.2 The tenderer shall provide a breakdown of the overall rates/prices in Euro (€).

Tenderers must quote all components of the price **inclusive** of taxes, customs and import duties and any discounts. Tenderers not registered with the VAT authority in Malta, must **still** include in their financial offer any VAT that the contracting authority may have to pay either in Malta or the country where the tenderer is registered irrespective of the reverse charge mechanism. The financial offer will be considered as the total financial cost to the contracting authority including any VAT that may have to be paid not through the winning tenderer. Except as may otherwise be provided for in the contract, no payment will be made for items which have not been costed. **Rates and prices shall be entered against each item in the bill of quantities/schedule of prices/rates, or otherwise specifically declared as 'Nil' or 'Included' in writing. The price of any item in the bill of quantities/schedule of prices/rates, against which no interpretable entry in writing has been made (i.e. either left blank or marked with a dash or other such unreadable signs), wilfully or otherwise, shall be deemed 'Nil' or 'Included' in other items of the bill of quantities. Requests for correction of such entries during the execution of the contract shall not be entertained.**

2.8.3 Different options are to be clearly identifiable in the technical and financial submission; **thus, a separate Tender form marked ‘Option 1’, ‘Option 2’ etc. for each individual option clearly outlining the rates/prices of the relative option, is to be submitted. Tenderers shall ensure that the Tender Forms submitted are complete in all respects. Failure to abide by this clause shall be treated as follows:**

- **When a single Tender Form is submitted with one or more options included in one Tender Form, the whole tender offer shall be rejected and rendered null;**
- **When one or more Tender Forms are submitted, either to cover one option or to cover a number of options and one or more of these Tender Forms are not completed properly and in all respects, the options relative to the invalid Tender Forms shall be rejected and the options rendered null. The evaluation committee shall proceed to evaluate only the option or those options with a fully completed and valid Tender Form**

2.8.4 If the tenderer offers a discount, the discount shall be absorbed in the rates of the Bill of Quantities / Schedule of Rates / Schedule of Prices.

2.8.5 The rates/prices of the Contract shall include all of the works to be provided. The rates/prices quoted are fixed and not subject to revision or escalation in costs, unless otherwise provided for in the Special Conditions.

2.9 Currencies of Tender and Payments

2.9.1 The currency of the Tender is the Euro (€). All sums in the breakdown of the overall rates/price, in the questionnaire and in other documents shall be expressed in Euro(€).

2.9.2 Notwithstanding the provisions of payment terms referred to under the relative Clause of the General Conditions for Service Contracts (article 26, Payments and Interest on late payments) no pre-financing will be paid in this contract. Payment under this contract shall be effected within a reasonable period of time. This shall be taken to mean that payment is to be effected within 60 days from the presentation of the bill to the Contracting Authority provided that the invoices are accepted and certified by the Contracting Authority and that the services conducted are carried out to the satisfaction of the Officer in charge of the Contract. Any penalties which shall be incurred by the Contractor shall be deducted from these bills. In breach of this time limit a Contractor shall be entitled to the payment of interest at 2% over the rate of interest established by Central Bank of Malta for the particular period. The provisions established in the General Conditions for Service Contract with respect to late payment (Article 26) are not applicable.

2.9.3 The Contractor shall be bound to conform in all respects with VAT legislation and regulations. Prospective bidders should note that the Malta Resources Authority is a non-taxable legal person in accordance with the provisions of the Value Added Tax Act, 1998. MRA is not registered for VAT purposes (i.e. it does not have a VAT number) and fiscal receipts have to be issued by the Contractor to the Authority for all payments effected.

2.9.4 Payment of bills shall be stopped whenever, in the opinion of the Contracting Authority, the Contractor is under penalty for breach of any conditions of the Contract.

2.10 DELETED

2.11 Conditions of Employment

2.11.1 The following conditions are mandatory conditions of any service contract resulting from the outcome of this tender:

1. A guarantee that the services provided will not be subcontracted to third parties.

This limitation on sub-contracting is strictly limited to cases where the sub-contractor being awarded work by the tenderer has employees of the tenderer who are also in the employ of the sub-contractor and are carrying out, with the subcontractor, the same or very similar duties as those in their contract of employment with the tenderer. In addition to any sub-contractor will need to agree to all the other conditions laid down in this tender whilst the tenderer will remain responsible for all the work or services provided in the contract including those carried out by the sub-contractor

2. A guarantee that the contractual work will not be carried out by self-employed persons but solely by employees of the tenderer.

This exclusion does not apply to bona fide self-employed individuals, and that the tenderer is guaranteeing that no work will be carried out by persons designated as self-employed where their actual employment status in terms of the Employment Status National Standard Order, LN 44/2012, is that of an employee.

3. A guarantee that all the employees of the tenderer, whether providing services to the contracting authority or not, have a written contract of service and are registered with the Employment & Training Corporation. On award of the contract the tenderer shall furnish a list of employees who will be providing services to the contracting authority as well as having copies of the written contracts of service of any of the employees available at any time for inspection.
4. Tenderer shall ensure that all employees are to be given a detailed payslip containing all relevant details including the amount paid, normal hours worked, overtime hours, hours worked on Sundays and public holidays, hours availed of as leave or sick leave, a breakdown of bonuses/allowances as well as deductions made (such as social security contributions and income tax).
5. Tenderer shall ensure that employee's wages/salaries are paid only by direct payment in the employee's bank account.
6. The tenderer is to guarantee that the relevant bank statements of wage/salaries' deposit and copies of the detailed payslips are to be made available as and when required by the Director of Industrial & Employment Relations.
7. The contractor shall be obliged to specify the minimum hourly workers' costs in tenders involving the provision of employees' services and shall also provide a breakdown of the employee costs in tenders where the tender requires a global sum covering the services to be provided.

- 2.11.2 Apart from the above conditions which the tenderer must abide with, the Authority will - for any contracts awarded - keep accurate timesheets of the work carried out by the tenderer's employees. The tenderer shall be bound to ensure that any employees provided to carry out services at the Authority shall be obliged to register their presence at the Authority's premises on these timesheets.
- 2.11.3 Following the award of the tender, if it results that a tenderer has not adhered in any way to the conditions of the contract and/or has in any way breached industrial and employment legislation, then the contract may be terminated. In addition the Director General (Contracts) (Contracts) may also terminate any other contract/s that such contractor may have with any other Government Department or Public Sector Organisation.
- 2.11.3 Any breach of regulations emanating from the Employment and Industrial Relations Act, the Employment and Training Services Act and the Occupational Health and Safety Authority Act may constitute sufficient grounds for the termination of any contract awarded as indicated above.
- 2.11.4 Tenderers shall submit the Statement of Conditions of Employment including all attachments referred to therein with their tender offer.

2. Tenderers will be requested to either clarify/rectify any incorrect and/or incomplete documentation, and/or submit any missing documents within two working days from notification.
3. No rectification shall be allowed. Only clarifications on the submitted information may be requested.

3.1.6 The information collected on this form shall be processed in accordance to the Data Protection Act 2001. The contents of this document are confidential and intended solely for the use of this organization, and shall not be disclosed or copied without your consent, to anyone outside the Company unless the law permits us to.

3.2 Late Tenders

- 3.2.1 All Tenders received after the deadline for submission specified in the contract notice or these instructions shall be kept by the Contracting Authority. The associated guarantees shall be returned to the tenderers (if any).
- 3.2.2 No liability shall be accepted for late delivery of Tenders. Late Tenders shall be rejected and shall not be evaluated.

4.0 OPENING AND EVALUATION OF OFFERS

4.1 Opening of Tenders

- 4.1.1 Tenders shall be opened in public session on the date and time indicated in the Tender advert and in the Tender Document, at the Finance and Administration Section of the Malta Resources Authority, Marsa, Malta by the Tender Opening Board. The Board shall draw up a 'Schedule of Tenders Received' which shall be published on the notice board at the Finance and Administration Section and shall also be available for public viewing.
- 4.1.2 Reductions or alterations to tender rates/prices made by tenderers after submission shall not be taken into consideration during the analysis and evaluation of Tenders.

4.2 Secrecy of the Procedure

- 4.2.1 After the opening of the Tenders, no information about the examination, clarification, evaluation or comparison of Tenders or decisions about the Contract award shall be disclosed before the notification of award.
- 4.2.2 Information concerning checking, explanation, opinions and comparison of Tenders and recommendations concerning the award of contract, shall not be disclosed to Tenderers or any other person not officially involved in the process unless otherwise permitted or required by law.
- 4.2.3 Any attempt by a tenderer to approach any member of the Evaluation Committee / Contracting Authority directly during the evaluation period shall be considered legitimate grounds for disqualifying his/her Tender.

4.3 Clarification of Tenders

- 4.3.1 When checking and comparing Tenders, the Evaluation Committee may, after obtaining approval from the Departmental Tenders Committee, ask a tenderer to clarify any aspect of his/her tender.
- 4.3.2 Such requests and the responses to them shall be made by email or fax. They may in no circumstances alter or try to change the rates/price or content of the Tender, except to correct arithmetical errors discovered by the evaluation committee when analysing tenders.

4.4 Tender Evaluation Process

4.4.1 **Part 1, Administrative compliance:** The Evaluation Committee shall check the compliance of Tenders with the instructions given in the Tender Document.

4.4.2 The Evaluation Committee shall, after having obtained approval from the Departmental Tenders Committee, request rectification in respect of incomplete/non-submitted information pertinent to the documentation as outlined in clause 2.1.3 of this Tender document. Such rectifications shall be submitted within two (2) working days from notification, and shall be subject to a non-refundable administrative penalty of €50. **Failure to comply shall result in the Tender offer not being considered any further.**

4.4.3 **Part 2, Eligibility and Selection compliance:** Tenders which have been considered administratively compliant shall be evaluated for admissibility as outlined below:

- a) Eligibility Criteria
- b) Technical Compliance
- c) Financial Evaluation

4.5 Correction of Arithmetical Errors

4.5.1 Admissible Tenders shall be checked for arithmetical errors by the Evaluation Committee. Errors shall be corrected as follows:

- a) Where there is a discrepancy between amounts in figures and in words, the amount in words shall prevail;
- b) Where there is a discrepancy between a unit rates/price and the total amount derived from the multiplication of the unit rates/price and the quantity, the unit rates/price as quoted shall prevail.

4.5.2 The amount stated in the Tender shall be adjusted by the Evaluation Committee in the event of error, and the tenderer shall be bound by that adjusted amount. In this regard, the Evaluation Committee shall seek prior approval of the Departmental Tenders Committee to communicate the revised rates/prices to the tenderer. If the tenderer does not accept the adjustment, his/her Tender shall be rejected and his/her tender guarantee forfeited (if any).

4.5.3 When analysing the Tender, the Evaluation Committee shall determine the final Tender rates/prices after adjusting it on the basis of clause 4.5.1.

5.0 CONTRACT AWARD

5.1 Criteria for Award

5.1.1 The sole award criterion shall be the rates. The contract shall be awarded to the cheapest priced Tender satisfying the administrative and technical criteria.

5.1.2 The Contracting Authority reserves the right to award the contract covered by this tender to one or more tenderers as shall be deemed the most advantageous.

5.2 Right of the Contracting Authority to accept or reject any Tender

5.2.1 The Contracting Authority reserves the right to accept or reject any Tender and/or to cancel the whole Tender procedure and reject all Tenders. In such an event, the Contracting Authority reserves the right to initiate a new invitation to Tender.

5.2.2 In the event of a Tender procedure's cancellation, tenderers shall be notified by the Contracting Authority. If the Tender procedure is cancelled before the opening of any envelope of any Tender, the sealed envelopes will be returned, unopened to the tenderers.

5.2.3 Cancellation may occur where:

- a) the Tender procedure has been unsuccessful, namely where no qualitatively or financially worthwhile Tender has been received or there has been no response at all;
- b) the economic or technical parameters of the project have been fundamentally altered;
- c) exceptional circumstances or force majeure render normal performance of the project impossible;
- d) all technically compliant Tenders exceed the financial resources available;
- e) there have been irregularities in the procedure, in particular where these have prevented fair competition.

5.2.4 **In no circumstances shall the Contracting Authority be liable for damages, whatever their nature (in particular damages for loss of profits) or relationship to the cancellation of a Tender, even if the Contracting Authority has been advised of the possibility of damages. The publication of a contract notice does not commit the Contracting Authority to implement the programme or project announced.**

5.3 Notification of Award of Contract

5.3.1 Prior to the expiration of the period of validity of Tenders, the Contracting Authority shall notify the successful tenderer, in writing, that his/her Tender has been recommended for award by the Evaluation Committee, pending any appeal being lodged in terms of Part II, Regulation 21 of the Public Contracts Regulations, a copy of which is reproduced hereunder.

5.3.2 Unsuccessful bidders shall be notified with the outcome of the evaluation process, and shall be provided with the following information:

- a) the criteria for award;
- b) the name of the successful tenderer;
- c) the recommended price if the successful bidder;
- d) the deadline for filing a notice of objection (appeal);
- e) the deposit required if lodging an appeal.

5.3.3 The recommendations for award shall be published on the notice board of the Contracts and Procurement Section. It shall be the obligation of the Tenderer to periodically check that such recommendations have been so published.

5.4 Contract Signing and Performance Guarantee

- 5.4.1 After the lapse of the appeals period, and pending that no objections have been received and/or upheld, the successful tenderer may be invited to clarify certain contractual questions raised therein. Such clarification will be confined to issues that had no direct bearing on the choice of the successful tender. The outcome of any such clarifications will be set out in a Letter of Acceptance.
- 5.4.2 At any time prior to the award of the tender, the Company reserves the right to request the tenderer to provide a certificate issued by the Employment and Training Corporation, indicating the number and details of employees duly registered with Corporation. In those cases where tenderers intend to sub-contract the works, they shall produce an original or authenticated certificate from ETC which indicates the respective registration number of the nominated subcontractors. The certificate shall be required for the sole purpose of confirming that the tenderer possesses, or has available, adequate human resources to perform the contract to a timely and successful completion. **Any tenderer who fails to provide the requested certificate/s when requested to do so, shall be disqualified from further consideration towards the award of the contract.**
- 5.4.3 In submitting this tender, the tenderer is certifying his/her acceptance in full of all the tender terms and conditions, including all addenda issued by the Contracting Authority prior to the closing date for the submission of tender offers. The successful tenderer may, upon the issue of the Letter of Intent, be requested to endorse all sheets of the tender document and any addenda issued during the tenders' submission period as a means of confirmation of his/her acceptance of all the contents thereof, and he/she shall do so without any reservations or conditions. **Requests to waive particular terms, conditions or specifications, shall not be entertained and may result in termination of the contract.**
- 5.4.4 Within 5 working days from receipt of letter of intent from the Contracting Authority, the successful tender shall call at the Finance and Administration Section to sign and date the contract. The Contract would not be signed unless the successful tenderer furnishes personally the performance guarantee (where applicable). On signing of the Contract by the Contracting Authority the successful tenderer will become the Contractor and the contract will enter into force.
- 5.4.5 Before the Contracting Authority signs the contract with the successful tenderer, the successful tenderer may be requested to provide the documentary proof or statements required to show that it does not fall into any of the exclusion situations listed in Clause 7 of the Tender Form. The above mentioned documents must be submitted by every member of a Joint Venture/Consortium (if applicable).
- 5.4.6 If the selected tenderer fails to sign and return the contract, other required documentation, and any guarantees required within the prescribed 5 working days' period, the Contracting Authority may consider the acceptance of the tender to be cancelled without prejudice to the Contracting Authority's right to seize the guarantee (Bid Bond), claim compensation or pursue any other remedy in respect of such failure, and the successful tenderer will have no claim whatsoever on the Contracting Authority.

The tenderer whose tender has been evaluated as second cheapest / Second most advantageous may be recommended for award, and so on and so forth.

- 5.4.7 Only the signed contract will constitute an official commitment on the part of the Contracting Authority, and activities may not begin until the contract has been signed by the Contracting

Authority and the successful tenderer.

5.4.8 DELETED

5.4.9 For contracts of a value equal or greater than €10,000, the performance guarantee referred to in the General Conditions is set at 10% of the amount of the contract and must be presented in the form attached to this tender document. The performance guarantee shall be released within 30 days of the signing of the Contractor's Performance Report by the Officer in charge of the contract, unless the Special Conditions provide otherwise.

5.4.10 For contracts of a value less than €10,000, no performance guarantee will be required to be submitted.

Reproduction of Regulation 21, Part II of the Public Procurement Regulations 2010

Right of Recourse

21. (1) Where the estimated value of the public contract exceeds twelve thousand euro (€12,000) and is issued by an authority listed in Schedule 1, any tenderer or candidate concerned shall have a right to make a complaint to the Review Board in accordance with this regulation.

(2) (a) The contracting authority shall be obliged to issue a notice and affix an advertisement, in a prominent place at its premises, indicating the awarded public contract, the financial aspect of the award and the name of the successful tenderer. The contracting authority shall, by electronic means or by fax, inform the tenderer or candidate concerned of the publication of the award. The contracting authority shall be precluded from concluding the contract during the period allowed for the submission of appeals.

(b) The award process shall be completely suspended if an appeal is eventually submitted.

(3) Any tenderer or candidate concerned who is aggrieved by the award indicated by the contract authority may, within five working days from the publication of the notice, file a letter of objection, together with a deposit, with the contracting authority, clearly setting forth any reason for his complaint. The deposit to be paid in respect of tenders valued at less than forty-seven thousand euro (€47,000) shall be four hundred euro (€400), while those between forty-seven thousand euro (€47,000) and one hundred and twenty thousand euro (€120,000) shall be 0.5% of the estimated value of the tender, with a minimum deposit of four hundred euro (€400). The letter by the complaining tenderer shall be affixed on the notice board of the contracting authority and shall be brought to the attention of the recommended tenderer.

(4) After the expiry of the period allowed for the submission of a complaint, the contracting authority shall deliver the letter of complaint, the deposit receipt and all documents relating to the public contract in question to the Review Board who shall examine the matter in a fair and equitable manner. In its deliberation the Review Board shall have the authority to obtain, in any manner it deems appropriate, any other information not already provided by the contracting authority. The Review Board shall determine the complaint by upholding or rejecting it. The written decision of the Review Board shall be affixed on the notice board of the contracting authority and copies thereof shall be forwarded to the Director of Contracts and all the parties involved.

(5) The tenderer or candidate concerned who is not satisfied with the decision granted by the Review Board may refer the matter to the Court of Appeal (Inferior Jurisdiction) in terms of article 41(6) of the Code of Organization and Civil Procedure within a period of sixty days. Such recourse however may not delay the Head of the contracting authority from implementing the Review Board's decision.

6.0 GENERAL CONDITIONS

6.1.1 The full set of General Conditions for Supply / Works / Services can be viewed/downloaded from:

www.contracts.gov.mt/conditions

6.1.2 It is hereby construed that the tenderers have availed themselves of these general conditions, and have read and accepted in full and without reservation the conditions outlined therein, and are therefore waiving any standard terms and conditions which they may have.

These general conditions will form an integral part of the contract that will be signed with the successful tenderer/s.

6.1.3 Any reference made in the General Conditions for Service Contract to “Volume 1 Section 4.10 (Organisation & Methodology)” shall be considered as reference to “Part 2 – Organisation & Methodology”.

6.1.4 Any reference made in the General Conditions for Service Contract to “Volume 3 Section 1 (Terms of Reference)” shall be considered as reference to “Part 1 – 8.0 Tender Specifications and Conditions” of the tender document

7.0 CONTRACT SPECIAL CONDITIONS

7.1 General

- 7.1.1 This Agreement shall be read, governed and construed in accordance with the Laws of Malta and any controversy in relation thereto shall be submitted to final and binding arbitration in terms of Part IV of the Arbitration Act (Chapter 387 of the Laws of Malta)
- 7.1.2 Any dispute, controversy or claim arising out of or relating to this contract, or breach, termination or invalidity thereof, shall be settled by arbitration in accordance with the rules of the Malta Arbitration Centre as at present in force. Any reference in the attached General Conditions to other arbitration procedures shall not apply.
- 7.1.3 The acceptance of the Tender under this contract shall not hinder the Contracting Authority from procuring works/supplies/services (as applicable) similar in nature to those requested by this Tender, but which fall outside the scope of this Tender in terms of quantity, quality and/or specifications, from any other source if and whenever is considered necessary. In these circumstances, the Contractor shall not claim any right whatsoever to be assigned such similar works/supplies/services.

- 7.1.5 The Contractor shall assume full responsibility and accountability, according to the current legislation, concerning the Health and Safety of his/her employees and/or his/her subcontractors, including any third parties involved in the execution of this tender.
- 7.1.6 The Contractor shall be bound to conform with the Occupational Health and Safety Authority Act 2000 (Cap 424 of the Laws of Malta) and to all regulations/legal notice that form part of his/her Act; as well as any other national and European Union legislation, regulations, standards, and/or codes of practices in effect during the execution of the contract, regarding Health-and-Safety issues, as they apply for the Contractor's particular operating situation and nature of work activities.
- 7.1.7 The successful Contractor shall provide all health and safety related equipment as required by the Maltese legislation, good practice, as may be required by the Company and as may be further detailed in this Contract.
- 7.1.8 The Contractor shall allocate all necessary resources to safeguard the health and safety of operatives, including those of subcontractors, and of any persons whom the Works may affect. The Contractor shall undertake to perform all necessary risk assessments, H&S procedures and maintain all relevant supporting records as required by Maltese legislation, good practice and as may be required by the Contracting Authority. This also includes the provision by the Contractor of all necessary personal protective equipment, mainly personnel on site are to wear safety boots, gloves, masks and all the necessary safety clothing to protect themselves, vaccinations and medical check-ups (if required) to all his/her employees, including those of subcontractors, employed on site or who are employed to execute the services requested in this Contract. The Contracting Authority reserves the right to carry out inspections in this respect and if the Contractor is found non-compliant then the Contracting Authority shall ask the Contractor to abide with H&S regulations with immediate effect. Subsequent notifications may imply that the Contractor is disqualified from the tender following which the Contracting Authority will seek the

services requested from the next cheapest Tenderer.

- 7.1.9 The contractor shall be solely responsible for the safe operation of the plant and equipment employed on site in connection with the works, including the safety of the operators. All equipment shall conform to all safety regulations and legislation in force and / or recognised standards/codes of practice, while all the operators shall be in possession of all the necessary recognised permits, qualification and skill required to carry out such duties.
- 7.1.10 The Contracting Authority reserves the right to inspect all the equipment that shall be required by the Contractor to provide the services requested in this Tender Document.
- 7.1.11 A daily penalty of Two Hundred Fifty Euro (€250) shall be charged to the Contractor if he/she fails to satisfactorily provide the requested services as stipulated in this Tender Document, and/or the service is found to be seriously lacking in quantity, quality or efficiency and/or the Contractor breaches any of the conditions stipulated in this Tender document. In such case, the Contracting Authority shall issue Notification Warning letters or Default Notices, notifying the Contractor of his/her breach of contract and requesting immediate remedial action by the Contractor who shall remedy the failure within three working days from the notification, or else, as may be otherwise required by the Contracting Authority. Moreover, the Contracting Authority reserves the right to engage other contractors to execute the contract and any extra expenses incurred, further to the contract rates, shall be borne by the contractor. During the period the daily penalty is being applied, the Contracting Authority reserves the right to terminate the contract and award the contract to other bidders competing in the same tender. Moreover, in such event, the bank guarantee shall be forfeited.
- 7.1.12 Should the abovementioned Clause (7.1.11) be applied, the final sum due to the contractor shall be determined upon the expiry of the notice period indicated and any penalties or extra costs shall be deducted accordingly.
- 7.1.13 The Contractor shall follow and execute all legitimate directives and instructions issued by the Contracting Authority. The procurement detailed in this tender is authorised by the Contracting Authority as represented on site by the designated Officer in charge of the Contract, who shall verify that all the conditions stipulated in this tender are adhered to. All works to be carried out by the contractor shall always be under the direction and supervision of the Officer in charge of the Contract, who may be assisted by a technical officer or employee of the Contracting Authority.
- 7.1.14 The contractor shall take all risks of accident or damage to the work, from whatever cause arising, and shall be responsible for the sufficiency of all means use by him for the fulfilment of the contract, and shall not be relieved from such responsibility by any approval which may have been given by the Chief Executive.
- 7.1.15 The Chief Executive may adopt any means he may think fit to satisfy himself that the materials specified are actually used, and he shall have the power throughout the contract, either personally or by deputy, to inspect, without giving previous notice, the entire work, or any part thereof at every stage of progress and wherever the work, or any part thereof, may be in progress, to amend or alter anything he may think fit and to reject any parts of the work of which he may disapprove.
- 7.1.16 The Authority is not bound to accept the lowest or any tender and shall not give reasons for the acceptance or rejection of a particular tender.

- 7.1.17 The Authority reserves the right of accepting any tender wholly or in part, or of dividing the contract among two or more tenderers.
- 7.1.18 The award of the contract does not exonerate the contractor from the obligation of obtaining any other permit and/or licence that may be required under any law, principal or subsidiary, in force in Malta from time to time.
- 7.1.19 Should there be any discrepancy between the General Conditions and any special conditions or specifications of any contract, the special conditions or specifications shall be followed in preference to the General Conditions.

7.3 Ethics Clauses

- 7.3.1 Any attempt by a candidate or tenderer to obtain confidential information, enter into unlawful agreements with competitors or influence the committee or the Authority or the Contracts Committee during the process of examining, clarifying, evaluating and comparing tenders will lead to the rejection of his candidacy or tender and may result in administrative penalties.
- 7.3.2 Without the Authority's prior written authorisation, the Contractor and his staff or any other company with which the Contractor is associated or linked may not, even on an ancillary or sub-contracting basis, supply other services, carry out works or supply equipment for projects or activities arising from or related to the Consultancy services being provided. This prohibition also applies to any other programmes or projects that could, owing to the nature of the contract, give rise to a conflict of interest on the part of the Contractor.
- 7.3.3 When putting forward a candidacy or tender, the candidate or tenderer must declare that he is affected by no potential conflict of interest, and that he has no particular link with other tenderers or parties involved in the project.
- 7.3.4 The Contractor must at all times act impartially and as a faithful adviser in accordance with the code of conduct of his profession. He must refrain from making public statements about the project or services without the Contracting Authority's prior approval. He may not commit the Contracting Authority in any way without its prior written consent.
- 7.3.5 For the duration of the contract, the Contractor and his staff must respect human rights and undertake not to offend the political, cultural and religious morals of Malta.
- 7.3.6 The Contractor may accept no payment connected with the contract other than that provided for therein. The Contractor and his staff must not exercise any activity or receive any advantage inconsistent with their obligations to the Contracting Authority.
- 7.3.7 The Contractor and his staff are obliged to maintain professional secrecy for the entire duration of the contract and after its completion. All reports and documents drawn up or received by the Contractor are confidential.
- 7.3.8 The contract governs the Parties' use of all reports and documents drawn up, received or presented by them during the execution of the contract.
- 7.3.9 The Contractor shall refrain from any relationship likely to compromise his independence or that of his staff. If the Contractor ceases to be independent, the Authority may, regardless of injury, terminate the contract without further notice and without the

Contractor having any claim to compensation.

- 7.3.10 The tender(s) concerned will be rejected or the contract terminated if it emerges that the award or execution of a contract has given rise to unusual commercial expenses. Such unusual commercial expenses are commissions not mentioned in the main contract or not stemming from a properly concluded contract referring to the main contract, commissions not paid in return for any actual and legitimate service, commissions remitted to a tax haven, commissions paid to a recipient who is not clearly identified or commissions paid to a company which has every appearance of being a front company.

7.4 Data Protection and Freedom of Information

- 7.4.1 Any personal data submitted in the framework of the procurement procedure and/or subsequently included in the contract shall be processed pursuant to the Data Protection Act (2001). It shall be processed solely for the purposes of the performance, management and follow-up of the procurement procedure and/or subsequent contract by the Contracting Authority without prejudice to possible transmission to the bodies charged with a monitoring or inspection task in conformity with National and/or Community law.
- 7.4.2 The provisions of this contract are without prejudice to the obligations of the Contracting Authority in terms of the Freedom of Information Act (Cap. 496 of the Laws of Malta). The Contracting Authority, prior to disclosure of any information to a third party in relations to any provisions of this contract which have not yet been made public, shall consult the contractor in accordance with the provisions of the said Act, pertinent subsidiary legislation and the Code of Practice issued pursuant to the Act. Such consultation shall in no way prejudice the obligations of the Contracting Authority in terms of the Act.

7.5 Gender Equality

- 7.5.1 In carrying out his/her obligations in pursuance of this contract, the tenderer shall ensure the application of the principle of gender equality and shall thus 'inter alia' refrain from discriminating on the grounds of gender, marital status or family responsibilities. Tenderers are to ensure that these principles are manifest in the organogram of the company where the principles aforementioned, including the selection criteria for access to all jobs or posts, at all levels of the occupation hierarchy are amply proven. In this document words importing one gender shall also include the other gender.

8.0 TENDER SPECIFICATIONS AND CONDITIONS

8.1 Contract Objective

The objective of this tender is to verify, by a suitably qualified and licensed audit firm, the physical amount of crude oil and/or petroleum products stocks held by Primary Storage Economic Operators and all those Economic Operators who have to maintain minimum stocks as per Directive 2009/119/EC in their own name or on behalf of third parties in the Maltese Territory (hereinafter referred to as Economic Operators). Verification of stocks of each Economic Operator is to be done by 3 (three) planned physical inspections, spread evenly over one year and 1 (one) unplanned inspection, all, as instructed by the Authority.

8.2 Contract Terms

- 8.2.1 The Contract shall be operative for a period of one year. The commencement of this contract shall be upon the issuance of the **'Order to Start Works'**, issued by the Contracting Authority. The Contractor will be expected to sign a confidentiality agreement prior to the commencement of the contract.

8.3 Contract Specifications

- 8.3.1 The successful Contractor is expected to conduct 4 (four) site audit inspections to verify and report on the actual quantity, fuel type (fuel description) and CN code, location of stocks including storage identification no. (as applicable), ownership (name of entity owning the stock) and tax status of oil stocks held by each Economic Operator in the Maltese Territory in their own name or on behalf of third parties. For these site audit inspections, the Contractor is to give written notice in advance to the Economic Operator of the planned site audit by a maximum of 48 hours.
- 8.3.2 The present number of Economic Operators is 13 and they currently store fuels across a total of 138 primary storage tanks and 8 barges (audits are not to be conducted on the Economic Operator's road tankers and/or petrol stations). The actual number of Economic Operators and the storage location to be inspected, is limited to the Maltese Territory, and is subject to change (within the Maltese Territory) as may be necessary at the Authority's discretion (Verification audit checks are not to include any calibrations).
- 8.3.3 In addition to the verification inspection, the successful Contractor is expected, based on the physical stock verified, to calculate the physical stock balance of fuel held by the same Economic Operator as at the end of the previous month to the verification date. The Contractor is to provide to the Authority, the estimated oil stocks balances (as at the end of previous month to verification date), by type of fuel (fuel description) and CN Code, location of stocks including storage identification no. (as applicable), ownership (name and address of the entity owning the stock) and tax status of the stock held by each Economic Operator in his own name or on behalf of third parties.
- 8.3.4 The contact point within the Authority for the Contractor will be the Chief Executive Officer, or any other officer as may be designated by the Chief Executive Officer. The Authority will not provide any office space, accommodation or equipment to the contractor or his/her staff.

8.4 Reporting and Payment Terms

8.4.1 The Contractor shall submit accurate and timely reports to the Chief Executive Officer as requested by the Authority. Interim reports detailing the findings of the physical spot checks and the stock balances as at previous end of month to verification date, are to be submitted to the Authority as per the following schedule:

<i>Audit Date</i>	<i>Deadline for each Interim Report</i>
Between 15 th and 31 st October 2015	By 10 th November 2015
Between 15 th and 29 th February 2016	By 10 th March 2016
Between 15 th and 30 th June 2016	By 10 th July 2016
Unplanned Site Audit (date to be advised)	30 days after inspection

8.4.2 Each interim report should be divided into two sections. The first part should include the data of the actual quantities of fuel stock found during the site visit (Refer to sections A and B in Annex 1). The second part should include the data of the estimated fuel closing stock balances as at the end of the previous month (to verification date-Refer to sectionsC and D in Annex 1). Fuel balances being reported in both sections of the report should be identified by:

- the name, registered address and company registration number of the Economic Operator being audited;
- ownership of the fuel (in the case of third parties) – name and registered address of fuel owner. A separate stock taking sheet is to be completed for each third party holding stock at the Economic Operator’s storage facility/facilities);
- the CN Code of the stock being verified;
- Fuel description namely; Aviation Gasoline, Motor Gasoline (Petrol), Jet Fuel, Kerosene, Diesel, Gasoil, Fuel oil, Liquefied Petroleum Gas (LPG), Propane, Biodiesel, Other fuel type (To be specified);the name and location of the storage facility, in the case of a movable storage such as barge the location of where the audit took place should be provided;
- the storage identification number being verified as may be applicable (tank reference number or barge name);
- the volume of the oil stocks balances in **metric tonnes**; Note any conversion factors **used to convert** the volumes into metric tonnes, should be identical to the ones used by the Economic Operators when these report the monthly data of oil stock balances to the Authority;
- tax status of the audited stock i.e. whether the fuel was stored under duty suspension or whether the fuel was being stored after it has been released for inland consumption including fuel released for National sea voyages/national bunkering;

- Each stock taking report and closing stock calculation report (both in the case of stock held by the Economic Operator and third party) must include the totals of the volume of stock by fuel type and by tax status.

The results of each audit should be presented to the Authority as per template provided in Annex 1.

- 8.4.3 At the end of the service contract, the contractor shall forward a final report with any recommendations for the Authority's consideration by the end of the thirteenth month following the end of the month when the "Order to Start Works" had been issued.
- 8.4.4 Two copies of each report (each interim report and final report) must be submitted to the Chief Executive Officer or any other officer as may be designated by the Chief Executive Officer.. All reports must be written in English.
- 8.4.5 Payment under this contract shall be made in 4(four) instalments. Contractor is to be paid 15 % (fifteen per cent) after the presentation of each of the 4 (four) interim verification reports to the Authority, and the final 40% after submission of the final report and after confirmation by the Authority that the contract has been completed to its satisfaction.

8.5 Qualifying Bidders:

AUDIT FIRM

Bidders under this contract must be suitably qualified audit firms that meet either one of the following criteria:

- The Audit firm must be a member of a national accounting or auditing body or institution which in turn is member of the International Federation of Accountants (IFAC), or
- The Audit firm is registered as a statutory auditor in the public register of a public oversight body in an EU member state in accordance with the principles of public oversight set out in Directive 2006/43/EC of the European Parliament and of the Council (this applies to auditors and audit firms based in an EU Member State) or.
- The Audit firm is registered as a statutory auditor in the public register of a public oversight body in a Mediterranean Partner Country and this register is subject to principles of public oversight as set out in the legislation of the country concerned (this applies to auditors and audit firms based in a Mediterranean Partner Country).

Furthermore, a bidder must have at its disposal the services of duly qualified, and registered engineer or surveyor who will provide professional advice in conducting the specified services. Both experts should be able to communicate fluently in the Maltese and English languages.

By completing the form 'Professional Staff Overview', tenderers are being requested to give the name and details of the persons who will be performing the services forming the scope of the Tender. In the interests of consistency, expediency and efficiency in the performance of the work, it is expected that, as far as possible, the Contractor deploys the same professional staff member over the term of the contract. The tenderer shall submit a

CV of the professional staff proposed to work on the project, a copy of the respective warrants and a valid police conduct certificate/s which must have been issued within the last 6 months from the date of this Call for Tender.

8.6 Documentation to be provided by Contracting Authority:

The Authority will provide the Contractor with the list of Economic Operators which are to be audited. The Authority reserves the right to inform the successful Contractor with any changes in the list of Economic Operators to be audited that can arise during the contracted year.

8.7 Method Statement:

The bidder is requested to submit a method statement. The method statements should be precise, clear and provide enough detail on the proposed operation and approach to be adopted. Any graphic or diagrammatic means to improve understanding is encouraged. It is important that the method statement details how the process will be carried out. It should also detail the possible dangers/risks associated with the verification process and the processes that would be followed so as to show how the work will be managed safely and precisely.

It is requested that the tenderer at application stage, should include a statement that describes the methodology of how the measuring of the volume of the tanks and barges and the stock reconciliation process, is proposed to be done.

8.8 Confidentiality Agreement:

A confidentiality agreement is to be signed by the partners of the audit firm and by each person that is going to be involved in the execution of the contract. Furthermore, if the Contractor is found in breach of the confidentiality agreement, the Authority can issue a fine of ten thousand euros (10, 000 euros). This will override any other provisional acts.

C TENDERER'S DECLARATION(S)

To be completed and signed by the tenderer (including each partner in a consortium).

In response to your letter of invitation to tender for the above contract, we, the undersigned, hereby declare that:

- 1 We have examined, and accept in full and in its entirety, the content of this tender document (including subsequent Clarifications Notes issued by the Contracting Authority) for invitation to tender No **MRA/ENE/37/2013/2**. We hereby accept the contents thereto in their entirety, without reservation or restriction. We also understand that any disagreement, contradiction, alteration or deviation shall lead to our tender offer not being considered any further.
- 2 DELETED
- 3 DELETED

- 4 This tender is valid for a period of 3 months from the final date for submission of tenders.
- 5 We are making this application in our own right and **[as partner in the consortium** led by < name of the leader / ourselves >] for this tender. We confirm that we are not tendering for the same contract in any other form. [We confirm, as a partner in the consortium, that all partners are jointly and severally liable by law for the performance of the contract, that the lead partner is authorised to bind, and receive instructions for and on behalf of, each member, and that all partners in the joint venture/consortium are bound to remain in the joint venture/consortium for the entire period of the contract's performance]. We are fully aware that, in the case of a consortium, the composition of the consortium cannot be modified in the course of the tender procedure.
- 6 We are not bankrupt or under an administration appointed by the Court, or under proceedings leading to a declaration of bankruptcy. We also declare that we have not been convicted criminally, or found guilty of professional misconduct. Furthermore, we are up-to-date in the payment of social security contributions and other taxes.

- 8 We have no potential conflict of interests or any relation with other candidates or other parties in the tender procedure at the time of the submission of this application. We have no interest of any nature whatsoever in any other tender in this procedure. We recognise that our tender may be excluded if we propose key experts who have been involved in preparing this project or engage such personnel as advisers in the preparation of our tender.
- 9 We will inform the Contracting Authority immediately if there is any change in the above circumstances at any stage during the implementation of the contract. We also fully recognise and accept that any false, inaccurate or incomplete information deliberately provided in this application may result in our exclusion from this and other contracts funded by the Government of Malta and the European Communities.
- 10 I acknowledge that the Contracting Authority shall request rectifications in respect of incomplete/non-submitted information pertinent to the documentation listed in clause 2.1.3. We understand that such rectification/s must be submitted within two (2) working days, and will be subject to a non-refundable administrative penalty of €50, and that failure to comply shall result in our offer not being considered any further.
- 11 We note that the Contracting Authority is not bound to proceed with this invitation to tender and that it reserves the right to cancel or award only part of the contract. It will incur no liability towards us should it do so.

STATEMENT ON CONDITIONS OF EMPLOYMENT

1. I hereby declare that all employees engaged on this contract shall enjoy working conditions such as wages, salaries, vacation and sick leave, maternity and parental leave as provided for in the relative Employment Legislation. Furthermore, we shall comply with Chapter 424 of the Laws of Malta (Occupational Health and Safety Authority Act) as well as any other national legislation, regulations, standards and/or codes of practice or any amendment thereto in effect during the execution of the contract.
2. I hereby declare that no part of the services to be provided under this contract shall be sub-contracted for the cases specified in Clause 2.11.1 1 of the tender dossier
3. I hereby declare that the service being provided under this contract will not be carried out by self-employed persons registered with the Maltese Authorities, but will be carried out solely by my employees. Self-employed personnel may be engaged as partners in a Joint Venture/Consortium. This exclusion does not include bona fide self-employed individuals as specified in Clause 2.11.1 2 of the tender dossier.
4. I hereby declare that all my employees have a written contract of service and are registered with the competent authority of my country.
5. I hereby declare that my employees shall be given a detailed payslip containing all relevant details including the amount paid, normal hours worked, overtime hours, hours worked on Sundays and Public Holidays, hours availed of as leave or sick leave, a breakdown of bonuses/allowances as well as deductions made (such as social contributions and income tax).
6. I hereby declare that all the wages/salaries of my employees are paid only by direct payment in the employee's bank account.
7. I hereby declare that during the execution of this contract, if and when requested by the Contracting Authority or the Director of Industrial and Employment Relations, I shall provide a copy of the contracts of service, payslips, FS3 forms and bank statement of wages/salaries deposits of any of my employees irrespective of whether such employees are employed on this contract for inspection.
8. I hereby declare that I shall submit to the Contracting Authority a list of the employees to be engaged on the contract after the award of the contract.
9. I hereby declare that if I am found in breach of any of the above declarations I accept that this contract will be terminated and that I will have no right to be compensated for any damage I may have suffered or will suffer in the future in respect to this termination.
10. I am hereby attaching the minimum hourly workers' costs for this contract and a breakdown of the employees' costs in global sum contracts.
