## **CALL FOR QUOTATIONS: SCANNING SERVICES**

**6 November 2015**

**Clarification 2:**

**Query:**

Do you have a predefined structure or preferred software other than standard file structure that you require these files on? For example do you intend to integrate to sharepoint, CRM system or any other document management system?

**Answer**

There is no pre-defined structure or preferred software other than as specified in the tender. Integration into share point, a CRM system or other electronic document management system is not required as part of this tender.
