DATA PROTECTION CLAUSE

In terms of the Data Protection Act (Chapter 440 of the Laws of Malta), we will process any personal and/ or sensitive data supplied on/ in this application, request or notification form or subsequently supplied by yourself, whether orally or in writing, for all or any of the following:

1. The proper processing of your application, request and/or notice as submitted;
2. Preventing, detecting and/or prosecuting fraud and any other criminal activity which the Authority is bound to report and/or act upon whilst meeting any other specific legal or regulatory obligations;
3. Establishing, exercising or defending any legal action;
4. Internal management, research and statistics, systems administration, the development and improvement of our services;
5. the protection and promotion of our legitimate interests and the proper conduct of our obligations arising under any law or statutory instrument; and
6. to make public the necessary information as specified in the relevant law and/or instrument.

Relevant data will be disclosed or shared as appropriate with all our employees and with other third parties if pertinent to any of the purposes listed above. Every field on the form is mandatory. In particular, this data may be shared with the Water Services Corporation in order to implement the Groundwater Abstraction (metering) Regulations. Should you fail to fill in any mandatory field, we reserve the right to refuse the application. Should any field be inapplicable to your particular circumstances please mark that field with the letters "N/A". You have the right to require that we provide you with access to your personal data as well as the right to rectify, or, in appropriate circumstances, erase any inaccurate, incomplete or immaterial personal data which is being processed. However, you are required to inform us immediately of any alterations relating to your personal data which we are processing.

By signing this form, you confirm that you are giving your explicit consent, in terms of the Data Protection Act, on behalf of yourself and all the other persons specified in this form for the Authority to process your respective personal information as outlined above and you confirm that you have brought this Data Protection notice to the attention of these other persons and obtained their respective consents.

We undertake to implement appropriate measures and safeguards for the purpose of protecting the confidentiality, integrity and availability of all data processed.

² Please provide NACE classification or description of activity

³ Excluding irrigation of domestic gardens

⁴ Please provide NACE classification or description of activity

Section II-B: Declaration under oath (administered by a Commissioner of Oaths)

I, the undersigned declare that the groundwater source with Registration/Notification No _____ is presently being used by the undersigned I am not aware of any fact and circumstance which impedes the undersigned in any manner from notifying myself successfully as a user.

I accept and understand that the registration of myself as a user of the groundwater source with Registration / Notification No. _____ does not in any way give me any right to draw water from such source, or to dispose of any material, whether liquid or solid, in such source, or to keep open such source, and the Authority may at any time order the undersigned to close such groundwater source, notwithstanding that such source is registered / notified and the relative registration / notification fees have been duly paid. I also understand that by means of the registration as a user of a groundwater source I am not in any manner acquiring or obtaining any vested right with regard to the groundwater source.

I accept and understand that the registration of myself as a user of the groundwater source with Registration / Notification No. _____ shall in no way prejudice any rights or claims which third parties may have over such source. I also understand that the acceptance of this application shall not be construed as conferring or creating any right or presumption in my favour on the property wherein the groundwater source is situated.

I hereby declare that this entire declaration, this application (including Part I and this Part II), all statements, attachments and the other information submitted in connection with it are true, correct and complete in all respects to the best of my knowledge and belief and that this declaration is executed with the knowledge that misrepresentation or failure to reveal information requested may be deemed sufficient cause for the applicable penalties established by law, and its reporting and use in any criminal action.
