

Groundwater Source Registration/Notification No	
--	--

SAMPLE - DRILLING LOG

All sections of this application should be filled in and legible. (Incomplete, illegible or improperly filled in applications will be delayed or returned).

A. Site Information

1. Address of groundwater source:	
2. Name of land where source is located:	
3. Limits of:	
4. Coordinates:	Northings _____ Eastings: _____ Or: Latitude _____ Longitude: _____

B. Source Technical Details

5. Level of ground surface above sea level in m: _____
6. If well top is not at ground level, state how far above in m: _____
7. Bore in m: _____; diameter at top in cm: _____; diameter at bottom in cm: _____
8. Full details of permanent lining tubes (position, length, diameter, plain, slotted etc.)

9. Water struck at depths of _____ m below well top.

C. Yield test

Rest level of water _____ m above/below well top.
Test pump at _____ m ³ per _____ with depression to _____ m below well top.
Recovery to rest level in _____ mins/hours. Date of measurements _____.

D. Description of permanent pumping equipment

Make and/or type _____.
Motor Power: _____ kW. Pump capacity: _____ m ³ per hour.
Estimated consumption _____ m ³ per week
