Declaration by the Perit:

I, the undersigned Perit, hereby declare that

- the source at the coordinates (_____) is irretrievably collapsed;
- the pump and piping were retrieved from the collapsed source;
OR
- the pump and piping could not be removed from the source and any piping and wiring have been severed and disconnected in such a manner that the pump cannot be put in service again; and
- the wellhead has been sealed in an appropriate manner to prevent ingress of any pollutants from the surface.

I am enclosing a photograph of the sealed wellhead.
