10 September 2012

Tender for the provision of internal control audit services

Clarification 1:

The tender form which needs to be filled in by the tenderer makes reference to Lot No. 1, 2 and 3. Kindly confirm that the services required listed on page 25 of the tender document must be divided under three headings providing the hourly rate for each heading.

Only one hourly rate is required for all the services forming the scope of this tender. The reference to lots 1, 2 and 3 on the tender form is standard tender wording and only Lot 1 is applicable in this case.
