**Call for Quotations - Lease of one network multifunction monochrome photocopier in connection with Project ERDF 288 – Promotion of Renewable Energy Sources in the Domestic Sector (2012) and one network multifunction colour photocopier.**

**Question 1:**

In the Schedule of Prices & Rates in page 9 of the quotation document, we have noted the following;

The Call for Quotations is for one colour multifunction printer and one monochrome multifunction printer. Being two different machines, in the Schedule of Prices & Rates, Item 1 and Item 2 are listed for only one rate either monochrome copy/print or colour copy/print. This applies for Item 4 as well. Can you please indicate what we need to do in this case?

**Reply:**

Please replace the Schedule of Prices & Rates in page 9 with the updated schedule below.

### 9. SCHEDULE OF PRICES & RATES

The rates will cover all taxes duties, levies, charges, and other liabilities and inclusive of all extra costs or additions which are not stated separately in the Schedule of Prices and Rates.

Prospective quotants are advised to note that in accordance with VAT legislation the Malta Resources Authority is not a VAT registered entity.
