**Call for Quotations – Computer Network Consultancy Services**

**Question 1:**

Clarify “Installation and configuration of server/s and network storage.” in point 7 of the Call for Quotations document.

**Reply**

The phrase “Installation and configuration of server/s and network storage.” is being replaced with “The winning bidder will be expected to sign-off for the new equipment to be purchased during the adjudication of the tender for which he will have drafted the technical specifications.”
