TENDER FOR THE PROVISION OF VERIFICATION SERVICES ON SECURITY OIL STOCK

Question 1: On page 28 of the tender document you state that the bidder may be an 'audit firm' and/or 'individual'. Nevertheless, the term "individual" is only used once whereas more emphasis is placed on the "audit firm".

I am a warrant holder and also a registered auditor who works with a team of experts including a lawyer and an engineer. I am also a member of the Malta Institute of Accountants who in turn is a member of the IFAC.

Based on the above, do I meet the minimum qualification criteria for this tender?

Answer 1: Only audit firms are to be considered.
