SECTOR)**

Question 1: In point 8.7.1, the document states that the bidder is to submit 5 concept designs for the billboards and web banners respectively. In A1, the description also states that the billboards will be rotated every fortnight. Hence, I would like to clarify whether you need 5 different concepts, each having 5 artworks variations or 1 concept with 5 different artworks variations.

Answer 1: We require 5 different concepts each having 5 artworks variations
