

**MRA/ENE/57/13**

6<sup>th</sup> September 2013

***Tender for the decommissioning of an 80m wind measuring mast and related equipment.***

**Site visits clarifications:**

A site visit at the mast site was conducted on the 4<sup>th</sup> September 2013 at 10:00 a.m.  
A site visit at the stores was conducted on the 5<sup>th</sup> September 2013 at 10:00 a.m.

It is being requested that clarifications raised during these visits are to be sent in writing to [enquiry@mra.org.mt](mailto:enquiry@mra.org.mt) quoting the tender number MRA/ENE/57/13.

In the absence of the gin pole on site, as it is being stored elsewhere, please find in the attached Annex A, photos of the gin-pole assembly.

***Question 1: With reference to tender MRA/ENE/57/13, please advise whether it is required for the successful bidder to have a level of previous experience in the decommissioning of wind masts?***

The tender dossier does not requests any proof of experiences in the decommissioning of wind masts.

**Annex A**
