

MALTA RESOURCES AUTHORITY

**MRA/119/2013**

11<sup>th</sup> October 2013

**Tender: MRA/119/2013. PROVISION OF EXTERNAL AUDIT SERVICES**

**Question 1:** 8.4.3 (v) of the tender document states that “for evaluation purposes, it is assumed that a total of 100 hours/annum may be required to carry out such “ad hoc” assignments”; Then in the schedule of prices and rates 250 hours is included in total and not 500 (100hrs x 5 years). What do we include in the table 250 hours as is or 500 hours?

**Reply 1:** Clause 8.4.3 (v) of the tender document is being revised (changes in bold) to read as follows:

- (v) undertake any necessary “ad hoc” assignments as may be required by the Board of the Authority. Any such assignment requiring a considerable degree of resources shall be paid for separately at the hourly rate indicated in the Schedule of Prices and Rates. For evaluation purposes, it is assumed that a total of **50** hours /annum may be required to carry out such “ad hoc” assignments.
