**Tender for the Lease of Office Space for the Malta Resources Authority**

**Question 1:**

With reference to Section 2.2.1 of the specifications and requirements – Layout, partitioning and finishes, can you kindly confirm whether the said total office space defined in the tender must be provided on one floor only?

**Reply 1:**

The total office space does not necessarily have to be provided on one floor.

Reference should also be made to:

Clause 2.1.10 - If the premises are located above ground floor level, the premises are required to be serviced with lifts to all floors within the premises.
