Tender for the Lease of Office Space for the Malta Resources Authority

Further to clarification number 4, Para 5 of the Tender Declaration has been further amended to read as follows:

*We are making this application in our own right and **[as partner in the consortium led by < name of the leader / ourselves >]** for this tender. We confirm that we are not tendering for the same contract in any other form. We are fully aware that, in the case of a consortium, the composition of the consortium cannot be modified in the course of the tendering procedure until the lease contract is entered into. [We confirm, as a partner in the consortium, that all partners are jointly and severally liable by law for the performance of the contract, that the lead partner is authorised to bind, and receive instructions for and on behalf of, each member, and that all partners in the joint venture/consortium are bound to remain in the joint venture/consortium for the entire period of the contract's performance other than as permitted or required by law or unless the MRA's prior written consent is obtained].*

A copy of the amended form of Tender Declaration is being uploaded on the Authority's website. Bidders are requested to use the revised template in their submission.
